Re: California Portland Cement Company Mineral Lease Decision and Order

Dear Mr. Winkleman:

As you are aware, the State Land Department recently issued a Decision and Order (order no. 134-2006/2007) granting mineral leases on certain portions of the State Trust lands located within Davidson Canyon in Pima County to the California Portland Cement Co. Pima County had commented extensively during the lease approval process by submitting to the State Land Department several letters from the County Administrator and other County representatives, including letters submitted in response to your office's requests for Pima County's input. However, as of the writing of this letter, Pima County has not yet received a formal notice of the above Decision and Order from your office. Pursuant to A.R.S. §§ 37-133 and 41-1092.03, we are requesting that the required notice be provided to Pima County as soon as practicable.

We appreciate your prompt attention to this matter. If you would like to discuss this letter or have any other issues or concerns, please do not hesitate to contact me at 520-740-8149. The County Administrator and I are looking forward to meeting with Deputy Land Commissioner Jaime Hogue on December 20, 2006.

Sincerely,
